

# Chicago AHR EXPO 2015 Recap

The 2015 AHR EXPO in Chicago had approximately 62,000 attendees from more than 140 countries, featuring over 11 acres of exhibits with 41 sponsoring and endorsing associations.

The MEPCO booth saw strong traffic, with the majority of our rep groups stopping by to say hello and get caught up on the latest company news. We really appreciate that so many of you could make the show and stop at the booth.

Thank you all for a great 2014 and we hope for continued success in 2015!
